29 March 2026

Availability for Selection into Southland Teams for a/ South Island Teams Championships in Christchurch and Southland Teams for NZ Nationals also in Christchurch 2026

We need to know availability for the following tournaments at your earliest opportunity and no later than **Friday 17 April 2026**.

1. South Island Team Championships, Christchurch - King's Birthday Weekend - **Saturday 30 May to Monday 1 June 2026**

Notable changes - TTNZ will be running this event for the first time rather than Table Tennis Canterbury, things have changed and Table Tennis Canterbury will not be running their separate tournament on the Monday as per previous years.

Please refer to attached link for information and estimated timetable.

<https://tabletennis.org.nz/tournaments/national-tournament-calendar/south-island-teams-championships/2026-south-island-teams-championships-prospectus>

Teams will be in be in various age groups, please let us know firstly of your availability in your expected age group as per information online?

For Juniors under 18, we would ask that the players are accompanied by a guardian here. We will need numbers back as soon as possible on the next form and if accommodation is required? Table Tennis Southland will pencil in accommodation at a venue close to the stadium - again this will be at user cost. Table Tennis Southland will pay the team entry costs. Travel to Christchurch will again be at user cost by either flights, or if travelling up by car. There is a possibility that some transport sharing can happen between players etc.

There is an option if anyone was to put their hand up to coordinate some fundraising. We are also looking for someone to possibly run our canteen on our Southland Open date (Saturday 9 May) which could generate some fundraising.

2. New Zealand Nationals - Christchurch. Will be held on 26 September to 4 October 2026. There is no prospectus out yet. Let us know if you will be available for teams and individuals.

Thanking you.

Richard Cavanagh
For Table Tennis Southland
