	Extending the competition from 12 weeks to 15 weeks					
	and have 5 teams in each grade with 1 bye week, 1 round per 5 week period					
	Bottom Team of A Grade to B Grade and Top B Grade Team to A Grade after each round of 5 weeks					
	The cost then stays the same as per initial when paying the full total amount, option for the bye teams to come in and practice on their bye rounds					
	The B grade teams would hold their points from their wins in A Reserve the highest total at the end would still determine winner of A Reserve Grade
