Selection: Notice, further to other information already sent through.

To Potential players in Southland Teams, South Island teams - Christchurch and NZ Nationals in Auckland

We are seeking final availability for both tournaments as soon as possible as teams, accommodation etc needs to be sorted. **By Friday 2nd of May 2025**

Eligibility - Note players should be playing in Southland events eg Southland Open/Southland residenceals, Winter Interclub or relevant schools' competitions. (A copy of our selection policy is available for viewing on our TTS website for confirmation if you are not sure)

1/ Canterbury Grand Prix Sat 31st May 2025, South Island Teams 1st – 2nd June 2025

We are waiting on final confirmation from TT Canterbury on the makeup of teams for 2025, but working on last year

Open Men, Junior Boys (u13, u15, u19) – Will be teams of 3
Open Woman, Veteran O40 teams, Junior Girls (u13, u15, u19) – will be teams of 2

Team Fee for Southland teams will be covered by TTS, The Canterbury Grand Prix costs would need to be covered by players with individual entry.

Accommodation is estimated at \$50.00 per person per night, this is a good deal through TTS, but we need to confirm urgently to make sure we don't miss out here. Numbers are required.

We will also need help from parent volunteers, managers to help with managing, coaching with our juniors over this time.

Travel – Would be up to players, but we would try and work our travel sharing as best as possible here for players travelling up.

Based on last year we expect the Teams events to be finished by around mid day on Monday 2nd of June.

2/ New Zealand Nationals, teams and individuals in Auckland 2025, 20th to 28th September 2025

Team Fee for Southland Teams will be covered by TTS.

Top Teams, which is Southland A Teams, Men's and and Woman's have a travel grant through Community trust South available of \$1600 which can only be pro-rata'd through these applicable

selected players. Other travel expenses would be up to players. (there is nothing to stop fundraising here if there are players/volunteers keen to get something underway here)

Accommodation – Table Tennis Southland will try and find close accommodation and put in a grant to Aotearoa Trust. Last year we were acceptable in our grant which covered all accommodation cost for our players in Nelson. Note to get a grant we need to find 2 quotes once numbers are estimated as best as possible then approval takes around 2 to 3 months)

Thanking You,

Selectors
